Sir:

A Notice of Allowance for the above-referenced application was mailed May 4, 2006. Pursuant to 37 C.F.R. §1.114, Applicant submitted a Request for Continued Examination and Consideration of Supplemental Information Disclosure Statement by electronic filing on July 17, 2006 in order to permit consideration of additional documents issued by Examiner Brian J. Davis for U.S. Patent Application No. 11/040,449, which is a divisional application of the above-referenced application.

Submitted herewith is a substitute for form 1449/PTO, based on PTO/SB/08A and 08B PTO form, which cites the Office Action mailed April 25, 2006 and an Interview Summary mailed June 21, 2006 for U.S. Application No. 11/040,449. This form was inadvertently omitted from the submission on July 17, 2006.

The Examiner is respectfully requested to consider the additional documents, which may be considered relevant to the patentability of the claims in this application. This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute. No representation is made that Applicants know of the best art.

It is believed that no fees are due for this filing. If this is not correct, please charge to deposit account 07-1969 any fees deemed necessary.

Respectfully submitted,

Sally A. Sullivan
